Dear Sir,

We are pleased to inform you that we have tested your **MAS AC ENERGY SAVER** on 5 different AIR CONDITIONERS of 1.5TR and 2TR rating (3 Phase and Single Phase), with excellent results, at Kolkata, Mumbai, Delhi and Chennai.

The units were tested under very harsh conditions in rooms where heat generation has been high.

We are extremely satisfied with the performance, high savings, and pay back, which is very attractive.

We intend to install these widely in various locations.

Thanking you,

Sincerely yours,
